

INFIRAY OUTDOOR
MINI SERIES

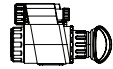

Multi-function Thermal Imager

The InfiRay Outdoors Mini Series is a compact and light weight multi-function thermal imager that won't weigh you down. It's unique design allows for seamless operation as a handheld monocular, or can easily transition to a helmet mount for hands-free use. The Mini Series is powered by a 50Hz 12 um sensor and features next generation MATRIX III processing for an unmatched viewing experience. Standard features of the Mini Series include manual focus lens, video out, HD display, Stadiametric rangefinder and picture-in-picture to guarantee you have everything at your fingertips.
